

# ESCP 15th Regional Masterclass: Techniques and Technology in Colorectal Surgery

Date: 3 April 2025

Location: Athens, Greece

This masterclass will take place in Athens, the capital of Greece, birthplace of democracy and home of Parthenon. It will precede the 4th Biannual Meeting of the Greek Society of Coloproctology (GSCP) with International Forum, which will take place between 4-6 April 2025.

The theme of the masterclass is 'Techniques and Technology in Colorectal Surgery'. Both masterclass and GSCP meeting will be delivered by renowned invited international and local experts and will cover a wide range of topics in colorectal surgery, including benign and malignant disease as well as cutting edge technology. Notably, the first day of GSCP meeting will include a Joint Symposium with ESCP and will be delivered in English. [View the event website here >](#)
